<p>Freeze Your Credit File <i>Available in Chinese, English, Korean, Spanish and Vietnamese</i> A credit file "security freeze" is a preventive tool to help you avoid identity theft and to block impostors from using your personal information to establish credit. This publication explains how to "freeze" your credit file, which prevents new credit from being established in your name until you temporarily or permanently lift the freeze. <i>(Limit: 75 copies, per language, per agency)</i></p>					
<p>Security Freeze Training Manual <i>Available in English only</i> This publication is part of a series on how you can protect yourself from identity (ID) theft by placing a security freeze on your credit files. A freeze also is a good idea for victims of ID theft. <i>(Limit: 5 copies, per agency)</i> <i>Note: All orders for the "Training Manual" will include one "Training Packet" that can be copied as needed. You can also download a PDF version of the "Training Packet" from the Consumer Action website at www.consumer-action.org.</i></p>
