<p>Health Records Privacy in California (Brochure) <i>Available in Chinese, English, Korean, Spanish and Vietnamese</i> <i>(Limit: 100 copies per language)</i> This brochure provides an introduction to electronic health records and your health information privacy rights. To learn more, refer to the companion resource, Health Records Privacy in California: FAQ, which provides additional information in a Q&A format.</p>					
<p>California Health Records Privacy Wallet Card <i>Available in English Only (Limit: 50 copies)</i> Carry the health records privacy wallet card with you to remind you of questions to ask your health care providers and steps you can take during your visit to help protect your privacy. One printed page yields four wallet cards—enough for you and three family members or friends.</p>					
<p>Health Records Privacy in California: FAQ <i>Available in English Only (Limit: 5 copies)</i> The Health Records Privacy in California backgrounder, written in Q&A format, answers many questions about electronic health records and the health information privacy rights of California residents, from how patients can access their own health records to what steps they can take to better protect their personal information.</p>					

Note: All orders for the "Health Records Privacy in California: FAQ" will include one Lesson Plan that can be copied as needed. You can also download a PDF version of the Lesson Plan and PowerPoint Training Slides from the Consumer Action website at www.consumer-action.org/modules/module_health_records_privacy.
