	Brochure				
	<i>Limit: 100 copies per language</i>				
	Chinese	English	Korean	Spanish	Vietnamese
<p>Using Mobile Data Wisely <i>Available in Chinese, English, Korean, Spanish and Vietnamese</i></p> <p>Being connected has many benefits, but it's important to know your needs and manage your usage to avoid unanticipated charges. This WirelessED publication can help you learn about mobile data, networks, devices and service plans.</p>					
<p>Choosing and Using Mobile Devices <i>Available in Chinese, English, Korean, Spanish and Vietnamese</i></p> <p>This WirelessED publication explains how to select a smartphone (or other data-ready wireless device) and a service plan, and monitor and manage your usage and get the best value for your budget and your needs.</p>					
<p>Wireless International Roaming <i>Available in Chinese, English, Korean, Spanish and Vietnamese</i></p> <p>Being connected can make an international vacation more enjoyable, and an overseas business trip more productive. This WirelessED publication offers tips and tools to help you stay within budget while traveling with your smartphone or data-ready device.</p>					
<p>Wireless Service Backgrounder Guide <i>Available in English only (Limit 10 copies per agency)</i></p> <p>This WirelessED training manual, written in question-and-answer format, can help answer many questions about wireless service, such as choosing a smartphone or other data-ready device, selecting voice and data service plans, avoiding overages and guarding your privacy.</p>					

Note: All above publications plus a lesson plan and PowerPoint training slides can be downloaded from Consumer Action's wireless education website WirelessED (www.wirelessED.org). Check out the WirelessED website for tips, tools, news and materials.

These publications were created by Consumer Action. This WirelessED project is sponsored by AT&T
